

# Programme Core Team Offer

## Children and Young People's Trauma Informed Care Programme (Framework for Integrated Care (community) for Humber and North Yorkshire Health and Care Partnership (ICS))

Mental Health, Learning Disabilities and Autism Collaborative

### Our Pledge

“ We will work collaboratively to ensure that all professionals working across the system with children and young people who have experienced trauma, can be supported to respond appropriately, consistently, and compassionately, so that the support these children and young people receive helps them to thrive. ”

Role	Name	Core Offer
<p>Programme Partnership Manager</p>	<p>Cat Jones catherine.jones93@nhs.net</p>	<ul style="list-style-type: none"> <li>• Represent the programme at national, regional and local events/meetings</li> <li>• Produce reports and data to demonstrate impact and progress of the programme</li> <li>• Liaise with key stakeholders across the ICS to promote engagement in this programme and ensure other programmes in development are aligned and joined up to maximise resources, capacity, and achievement of outcomes to deliver across the system e.g. VRU</li> <li>• Oversee all strategic development of the programme</li> <li>• Work with Strategic Leaders across the ICS</li> <li>• Support Core Team</li> <li>• Support Test and Learn Pilots</li> </ul>
<p>Community of Practice (CoP) Manager</p>	<p>Katy Winfield katy.winfield2@nhs.net</p>	<ul style="list-style-type: none"> <li>• Build Community of Practice and facilitate Community of Practice meetings</li> <li>• Form and promote a Community of Practice charter</li> <li>• Provide support on policy and practice to organisations working with Children and Young People. This includes working through Trauma Informed Care (TIC) Toolkit with organisations working to progress from being Trauma Aware to being Trauma Informed so the culture of the whole system reflects a Trauma Informed approach</li> <li>• Identify training needs and work with the framework of trainers and ARC champions to ensure the training offer is robust and meets the needs of strategic and operational staff and volunteers</li> <li>• Share resources and good practice across the ICS ensuring evidence-based Trauma Informed Care is embedded in policy and practice</li> <li>• Form modes of communication to keep people up to date e.g. newsletters</li> </ul>

Role	Name	Core Offer
<p>Children and Young People's (CYP) Engagement and Coproduction Manager</p>	<p>Clair Atherton clair.atherton@nhs.net</p>	<ul style="list-style-type: none"> <li>• Establish a Children and Young People's ICS wide engagement and co-production strategy and workplan for Children and Young People's Mental Health, which builds on and compliments existing place-based activity, to capture and measure the engagement of children and young people and the impact of this</li> <li>• Implement and coordinate regular Communities of Practice with place-based engagement and coproduction leads/ workers across the ICS to ensure consistency of approach and peer to peer support and learning between services and partners at place</li> <li>• Provide consultancy, advice, and guidance to a wide range of place-based services and partners to support organisations to embed evidence-based practice to enable sustainability of delivery. This includes developing and sharing resources, skills, and knowledge across the ICS</li> <li>• Recruit, train and support a team of young volunteers with lived experience from across the ICS geography, who will act as advisory groups to relevant steering groups, boards etc.</li> <li>• Wherever possible, ensure services and projects are co-produced with children, young people, and their parent/ carers</li> </ul>
<p>Senior Administrative Officer</p>	<p>Lisa Hudson lisa.hudson20@nhs.net</p>	<ul style="list-style-type: none"> <li>• Support the Core Team with administrative duties</li> <li>• Liaise with key stakeholders to arrange meetings and aid communication</li> <li>• Ensure all meetings are minuted and papers are distributed in a timely manner</li> <li>• Hold a key point of contact for the programme</li> <li>• Update the Programme Plan so progress of the programme is captured</li> </ul>
