

Humber and North Yorkshire
Health and Care Partnership

Children and Young People's
Trauma Informed Care Programme

Strategic Implementation Plan

“ Our Pledge

We will work collaboratively to ensure that children and young people, who have or may have experienced trauma or adversity, are supported to thrive. We will do this by working across the system so everyone is supported to respond helpfully, consistently, and compassionately “

What we will do

Priority 1

Ensure strong programme governance and clear, effective programme management

Priority 2

Make evidenced-based decisions, rooted in a clear understanding of local needs and resources

Priority 3

Build a Trauma Informed Integrated Care System that improves outcomes for children and young people

Priority 4

Strengthen multi- agency relationships and improve co-ordination of service delivery

Priority 5

Pilot and evaluate placed-based models of Trauma Informed intervention for high-risk children and young people

Priority 6

Ensure genuine engagement with children, young people and their parent/carers and maximise opportunities to co-produce

Priority 1**Ensure strong programme governance and clear, effective programme management****What we will do****How we will do it****Intended Benefits**

Make evidenced-based decisions, rooted in a clear understanding of local needs and resources
