

Help our community have healthier hearts.

We are asking you to share your thoughts, views and experience of:

- What you know about cardiovascular disease?
- What stops you from accessing health and care services for you and others in your community?
- What would help you to access health and care services?

Complete the survey here:
www.smartsurvey.co.uk/s/healthyheart/

Your feedback will help to improve NHS services in the future.
